

This is a detailed topographic map of the Teplice nad Váhom region in Slovakia. The map shows the city of Teplice nad Váhom (elevation 356) situated on the left bank of the Váh river. To the right of the city is the large Žilina reservoir (vodná nádrž). The map includes numerous smaller settlements such as Zlatné, Strážavy, Rosina, and Gbeľany. It also depicts various geographical features like the Strážavský potok, the biokoridor (marked with a red circle), and several hills and mountains with their elevations. The map is overlaid with a grid and includes various symbols for roads, railways, and other infrastructure.
