

This is a detailed topographic map of the Malé Borové region in the Tatras. The map shows a network of trails (red and blue lines) and roads (yellow lines). Key geographical features include the Suchá dolina (Sucha Valley) and the Javorová dolina (Javorova Valley). The map is marked with numerous elevation points and place names. A red circle is drawn around the area between Pod Holíčou and Hutý, indicating a specific point of interest. The map also shows the Malé Borové (880) peak and the Suchá dolina (Sucha Valley) area.
