

This is a detailed cadastral map of the area around Badžgoňovci. The map shows various land parcels, each identified by a unique cadastral number (e.g., 0982785, 0863435, 0812043, 0863235, 0811015, 0982885, 0963435, 0863435, 0811015). The map is color-coded and patterned to distinguish different types of land use or ownership. Key features include:

- Geographical Features:** A river or stream flows through the area, and a road is visible. The area is surrounded by fields and some buildings.
- Land Use and Ownership:** Different colors and patterns represent various land use categories or ownership types. For example, green areas might represent agricultural land, while red areas might represent residential or commercial land.
- Infrastructure:** A road is shown running through the center of the map. A railway line is visible on the left side.
- Labels and Markers:** The name "Badžgoňovci" is prominently displayed. Various numbers (e.g., 9, 7, 6, 5) are scattered across the map, likely indicating specific parcels or zones. A red triangle marker is also present.
- Map Style:** The map is a technical drawing with precise lines and colors, typical of a cadastral map.

A large black letter 'J' is visible in the top right corner of the image.
