TRVALÉ TRÁVNE PORASTY

ZASTAVANÉ PLOCHY
OSTATNÉ PLOCHY

The map displays a large agricultural land parcel, primarily designated as 'LEŠNÉ POZEMKY' (Forest Land), outlined by a thick red dashed line. A smaller area in the bottom-left is designated as 'TRVALÉ TRÁVNE PORASTY' (Permanent Grassland) and is colored green. The map is divided into several sub-parcels, some of which are labeled with circled red numbers: '21/1c' in the upper-middle, '21/1e' on the right side, and '21/2' in the bottom-left green area. The parcel number 'Z21/1' is prominently displayed on the right. Other parcel numbers visible include '1083672' in the center and '1062232' on the left. A purple dotted line, representing 'HRANCE BPEJ (BONIT. PÓDNO-EKO. JEDNOTKY)', meanders across the map, likely indicating a boundary or specific land management zone. The background shows a network of smaller, unshaded parcels and some linear features like roads or fences.
