

Diagram illustrating the division of a total length of 16.70 into segments of 0.84, 3.50, 0.66, 3.70, 0.66, 3.50, and 3.84. The segments are arranged in two rows, with a 0.33 gap between the rows. The total length is 16.70.

[illegible]

The diagram consists of three horizontal number lines. The top line has tick marks at 0.33 and 1.00, with labels 2.67, 1.00, 4.00, 1.00, and 2.67 above it. The middle line has tick marks at 4.00 and 8.00, with labels 4.00, 4.00, and 4.00 above it. The bottom line has tick marks at 12.00, with a label 12.00 above it.

MIGRAČNÝ PRVOK

A horizontal dimension line with vertical end caps. The number 2.00 is written below the line.
